**Novus Agenda Training**

The City of Kingman transitioned to an electronic paperless agenda management system through Novus Agenda Solutions in fall 2015. As part of this, staff will train the City Council on the use of electronic voting through the Novus Agenda system. This training will consist of a mock City Council meeting to allow Council members and staff the opportunity to learn how to operate the electronic voting function of the system during a real meeting. **No action will be taken during this meeting and this is for training purposes only.**
